

A close-up photograph of a basket filled with a variety of radishes. The radishes come in several colors: deep purple, bright red, and a mix of orange and yellow. Some have small green leaves still attached. To the left, a bunch of green onions with long, straight green stalks is visible. The entire harvest is resting on a light-colored, textured surface, possibly burlap. In the bottom right corner, there is a yellow circular logo with the text 'TORELLO farm' in black.

TORELLO

farm

TORELLO *farm*

peninsula grown, grazed & gathered

Our farm gate is often likened to a farmers' market with an everchanging seasonal selection of fruit and vegetables, including organic, grown on site and from other Mornington Peninsula farms. We also sell our own free range, grass-fed Belted Galloway beef and Dorset Down lamb, which took out the 'From the Paddock' trophy in the national 2023 delicious. Produce Awards.

Other locally produced goodness you can expect to find in our farm gate includes sourdough breads made with local flour, goats' cheeses, olive oils, vinegars, a wide range of pickles & preserves and take-home meals lovingly made in our farmhouse kitchen from our beef, lamb and seasonal produce.
