TORELLO
farm

TORELLO *farm*

peninsula grown, grazed & gathered

Our farm gate is often likened to a farmers' market with an everchanging seasonal selection of fruit and vegetables, including organic, grown on site and from other Mornington Peninsula farms. We also sell our own free range, grass-fed Belted Galloway beef and Dorset Down lamb, which took out the 'From the Paddock' trophy in the national 2023 delicious. Produce Awards.

Other locally produced goodness you can expect to find in our farm gate includes sourdough breads made with local flour, goats' cheeses, olive oils, vinegars, a wide range of pickles & preserves and take-home meals lovingly made in our farmhouse kitchen from our beef, lamb and seasonal produce.
